

ADVICE OF CHILDREN ATTENDING ANOTHER SERVICE

Dear Parent/Guardian,

If you have another child or children in care elsewhere, e.g. before or after school care or attending approved centre-based care, and you would like to claim a second, third or fourth child Child Care Benefit (CCB) percentage, please complete and sign the form below and return to your Carer.

Please note: if your child attending care elsewhere does, for any reason, not attend care in a full week period (Monday to Sunday), you must notify your Carer immediately to ensure the correct percentage claim is made. Claims for multiple child percentage when a child is not in care may incur a Centrelink debt for your family.

Please complete and return to your Carer.

This is to notify Samaritans Five Star Family Day Care that I _____
